

Chalets & Caviar
LUXURY CHALETs

CSS Changes

Changes the colour of top footer text to brand colour gold

```
.iw-footer .iw-footer-menu li a {  
    color: #bba267;  
}
```

Changes footer 2 header to brand colour gold

```
footer.iw-footer .widget widget-title {  
    color: #bba267;  
}
```

Changes copyright theme link to gold

```
body .iw-copy-right a {  
    color: #bba267;  
}
```

Changes background footer colour

```
iw-footer.iw-footer-default.iw-footer-top {  
    background-color: #bba267;  
}
```

```
footer.iw-footer .widget .widget-title {  
    color: #bba267;  
}
```

Changes dropdown menu text to brand colour gold in smaller screen size

```
.off-canvas-menu .canvas-menu li > a {  
    color: #bba267;  
}
```

Added padding to the main content

```
.contents-main, .main-content {  
    padding: 0 20px;  
}
```

```
.off-canvas-menu .canvas-menu li.active > a {  
    color: #bba267;  
}
```

Changes the background colour of the footer

```
.iw-footer.iw-footer-default .iw-footer-top {  
    background-color: #1b1919;  
}
```

Changes theme header background colour to gold

```
.header.header-default.header-style-v6 .iw-header {  
    background-color: #1b1919;  
}
```

Changes body copyright link colour

```
body .iw-copy-right a {  
    color: #bba267 !important;  
}
```

```
html body {  
    color: #bba267;  
}
```

Changes horizontal rule to 1px solid with the colour of gold with opacity

```
hr {  
    border-top: 1px solid #bba2679e;
```

```
}
```

Changes the width of the form (stops it stretching off page)

```
.wpcf7 {  
    width:100% !important;  
}
```

```
.wpcf7-form input[type="text"], input[type="email"], input[type="url"],  
input[type="password"], input[type="search"], input[type="number"],  
input[type="tel"], input[type="range"], input[type="date"],  
input[type="month"], input[type="week"], input[type="time"],  
input[type="datetime"], input[type="datetime-local"], input[type="color"],  
select, textarea {  
    width:100% !important;  
}
```

Added padding to the form to add space at the top

```
div.wpcf7 {  
    padding-top: 10px;  
}
```

Adds a background colour to the submit button

```
input[type="button"], input[type="submit"], button {  
    background-color: #f0f0f0;  
}
```

Makes the text area on the form smaller

```
textarea {  
    max-height: 90px;  
}  
  
.ich-settings-main-wrap code {  
    color: #bba267;  
}
```

Changes link colour to gold

```
a {  
    color: #bba267;  
}
```

Changes colour of the navbar

```
.navbar-default .navbar-nav > li > a {  
    color: #ffffff;  
}
```

Removed the added theme code colour in the homepage property section

```
code {  
    color: #f9f2f400;  
}
```

Added padding to top of image to make inline and lowered opacity to give a better effect

```
.wpb_single_image img {  
    padding-top: 53px;  
    opacity: 0.6;  
}
```

Changes the header colour and menu colour to brand gold

```
.header-default .iw-main-menu .iw-nav-menu .sub-menu li a, .header .iw-  
header .iw-menu-main .navbar-nav .sub-menu li a {  
    color: #bba267!important;  
}
```
